- A. Lifetime Warranty for Wright Line Manufactured Products: The Applicable Warranty Period for a product manufactured and sold by Seller under the Wright Line brand name shall be the period of time that the original purchaser owns the product.
- B. Limited Term Warranty for All Other Products or Components: The Applicable Warranty Period for all other products, or components purchased by Wright Line and integrated into Wright Line manufactured products, sold by Seller, shall be the warranty as outlined in the original manufacturer’s warranty.

This warranty does not cover any damage to customer equipment that is caused by an AC power disturbance or any other causes unrelated to the quality and/or functionality of Seller’s products.

No claims under this warranty will be valid unless Buyer notifies Seller in writing within a reasonable time of its discovery of the defect, but in any event prior to the expiration of the Applicable Warranty Period for such product. This warranty does not cover ordinary maintenance, wear and tear within the normal consumable life of a product, abuse, improper use, alterations, repairs and installations which have not been performed by an authorized Seller’s representative, and products which have not been maintained or operated in accordance with Seller’s written instructions.
